To Whom It May Concern:

I am pleased to recommend Darian Davis for a position with your organization. As a professional basketball player and Darian’s former teammate, I have had the opportunity to know him personally and observe his work ethic and passion for basketball.

Darian brings dedication and enthusiasm to what he does. He is both a fan and a student of the game, with a sincere interest in learning and improving. Beyond his work ethic, what stands out most to me is the positive energy he brings to the people around him.

I believe Darian would be a valuable addition to your organization. Please feel free to contact me if you would like any further information.

Sincerely,

Kaodirichi Akobundu-Ehiogu
